

Message: ***"Overcoming the Devil"***

Scripture: Revelation 12
(01-12-25 Pastor Tony Hao)

The Church, the people of God, have been engaged in a war with Satan for more than 2,000 years. It is a staggering testimony to the wickedness of our enemy that "he knows that his time is short" (12:12b) yet continues to assault, accuse, and do everything in his power to undermine our faith in Jesus. Satan hates you. He hates everything about the people of God. He hates those "who keep the commandments of God and hold to the testimony of Jesus" (12:17)

But we have been guaranteed victory, not because of our righteousness or spirituality, but because of the victory secured for us by Jesus, whose blood cleanses from all sin. Praise be to God!
