

Message: ***“Quenching Our Deep Spiritual Thirst”***

Scripture: John 7:37-40
(03-30-2025 Dr. Adam Co)

The human condition is such that we are ever “thirsting” for something or someone to satisfy our soul’s deepest longing but to no avail. Jesus Christ came to the world to offer us the “living water” that alone can quench our spiritual thirst through the gift of the Holy Spirit. But how exactly can we appropriate Christ’s gift of the Holy Spirit so as to truly satisfy our soul’s inner thirst? In our Scripture text, Jesus shows us two ways.

GROWING DEEPER (Reflection & Application)

1. What are some ways people in our society show and cope with their spiritual thirsts in life?
2. Based on the sermon, what are the two ways Jesus satisfies our spiritual thirst through the Holy Spirit (v.38)? Share among yourselves how you have experienced and benefitted from these two ways in your own life as a Christian.
3. On a scale of 1 to 10, how would you rate your knowledge of the Holy Spirit? What are some hindrances to a deeper knowledge of Him? And how can you grow deeper in your knowledge of the Holy Spirit and His ministry?
4. When hard times come our way, what are some challenges that keep us from coming to Jesus and drinking from Him exclusively and consistently (v. 37)? Share an instance where it was worth refusing to settle for anything but coming to Jesus and drinking from Him. What are some ways that could help us consistently and exclusively come to Jesus and drink from Him whenever we’re spiritually thirsty?
